## 2014 MEMBER SATISFACTION SURVEY

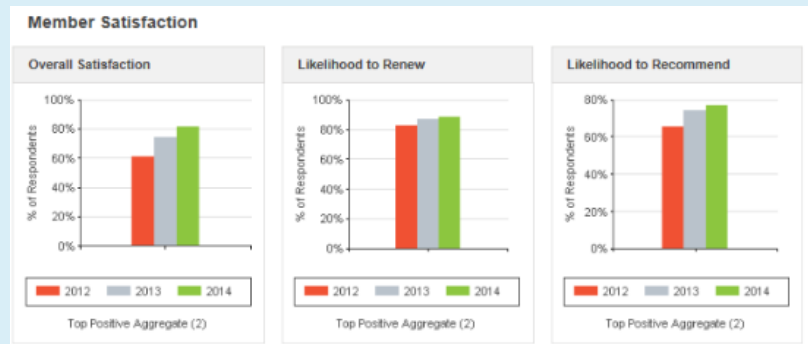

Every year PMI Global sends a satisfaction survey to each chapter member to determine how satisfied you are as a chapter member of PMI. Here are a few things we've learned from the 43 members of our chapter who provided survey feedback for 2014:

In 2014, 81% of respondents said they were satisfied overall, compared to 74% in 2013, and 61% in 2012.

In 2014, 88% of respondents said they would likely renew their membership, compared to 87% in 2013, and 83% in 2012.

In 2014, 77% of respondents said they would likely recommend membership, compared to 74% in 2013, and 65% in 2012.

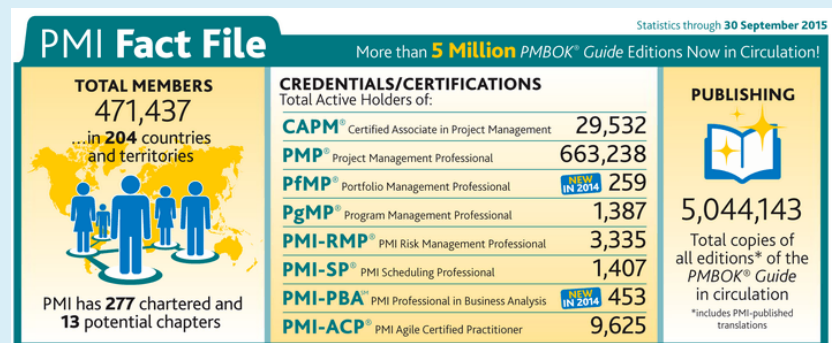

This information is shown in the charts below.

While the trend is positive, we hope that 2015 results will show even greater improvements. Some additional information that is noteworthy follows. Please keep in mind that these results are for 2014.

## MEMBER UPDATES AND HOW TO'S

### How to Claim PDU's for Chapter Meetings

Members are responsible for submitting their own claims for PDU credits for the monthly chapter meetings as the chapter does not have a way to file that information on behalf of the members.

The process is simple - just visit the PDU section at PMI.org. The site can be found under

Certification>Maintain your certification: Earn and report PDUs.
