## MEMBER UPDATES AND HOW TO'S

### How to Claim PDU's for Chapter Meetings

All chapter events to present have been submitted to PMI and are available for members to claim.

Members are responsible for submitting their own claims for PDU credits for the monthly chapter meetings as the chapter does not have a way to file that information on behalf of the members. The process is simple - just visit the PDU section at [PMI.org](http://PMI.org). The site can be found under Certification>Maintain your certification: Earn and report PDUs. Our Component ID is C098. [Learn More](#)

## New or Updated Email Address

Our Chapter uses email addresses that members provide in their profiles to PMI. Let us know if your email address has changed so we can update your contact information in our email distribution list.

We want to make sure our members receive information about the chapter in a timely manner.

Please contact [membership@pmicolumbusga.org](mailto:membership@pmicolumbusga.org) if you have any updates or questions related to your membership.

## Member Relocation

If you or someone you know is leaving our chapter due to relocation, then the member needs to send an email to

[componenttransfer@pmi.org](mailto:componenttransfer@pmi.org) and let PMI know who their new chapter will be. By doing so, their name is updated from PMI's component roster and we will remove them from our distribution list. They should then begin receiving emails from their new Chapter.
