The PMP exam is changing in the first quarter of 2018. The exact date of the examination change will be announced soon, so anyone taking the exam prior to Q1 2018 will receive the current version of the exam that references the PMBOK Guide® - Fifth Edition.

If you're utilizing the PMBOK Guide® as a study tool for the PMP, you can expect to find the following updates in the PMBOK Guide® - Sixth Edition:

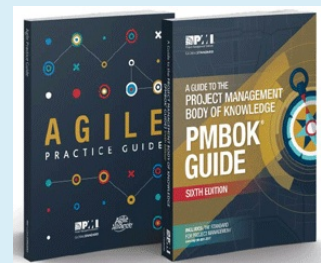

- A new chapter on the role of the project manager has been added to focus on leading projects effectively - competencies, experience and skills that are all necessary.
- Two Knowledge Areas have been re-named to more accurately reflect which elements can be managed... and which can not:
- Time Management is now Schedule Management
- Human Resource Management is now Resource Management

Every Knowledge Area features four new sections:

1. Key Concepts
2. Trends and Emerging Practices
3. Tailoring Considerations
4. Considerations for Agile/Adaptive Environments

For more information visit <https://www.pmi.org/>

In addition, the PMBOK® Guide - Sixth Edition now contains detailed information about agile and as a new tool, PMI is also offering a new Agile Practice Guide. This new guide was created in partnership with Agile Alliance® and it serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers.

MEMBER UPDATES AND HOW TO'S

How to Claim PDU's for Chapter Meetings

Members are responsible for submitting their own claims for PDU credits for the monthly chapter meetings as the chapter does not have a way to file that information on behalf of the members. The process is simple - just visit the PDU section at PMI.org. The site can be found under Certification>Maintain your certification: Earn and report PDUs. Our Component ID is C098. [Learn More](#)

New or Updated Email Address

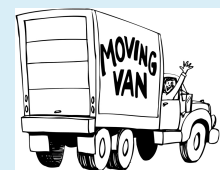

Our Chapter uses email addresses that members provide in their profiles to PMI, so let us know if your email address has changed so we can update your contact information in our email distribution list.

We want to make sure our members receive information about the chapter in a timely manner.

Member Relocation

If you or someone you know is leaving our chapter due to relocation, then the member needs to send an email to componenttransfer@pmi.org and let PMI know who their new charter will be. By doing so, their name is updated from PMI's component roster and we will remove them from our distribution list. They should then begin receiving emails from their new Chapter.
