## HOW SATISFIED ARE YOU?

### Chapter Satisfaction Results for 2017

Every year PMI Global sends a satisfaction survey to each member to determine how satisfied you are as a chapter member of PMI. Here are a few things we've learned from the 23 members of our chapter who provided survey feedback for 2017.

In 2017, 78% of respondents said they were **satisfied overall**, compared to 82% in 2016, and 89% in 2015. In 2017, 83% of respondents said they would **likely renew their membership**, compared to 79% in 2016, and 97% in 2015. In 2017, 83% of respondents said they would **likely recommend membership**, compared to 71% in 2016, and 81% in 2015.

In 2017, 39% of respondents said that their **membership is important to their career** and 30% expressed it being very important. In 2017, 52% of respondents said that they pay for their **PMI dues**, while 43% have their company pay for their dues. Very similar results are seen for **chapter dues**, 55% pay their dues while 41% make their company pay for their dues.

Based on the survey feedback, the **top two reasons why members join our chapter** are: 26% to network with other project managers and 23% for better access to PDU opportunities.

We thank all who participated in the survey. Your feedback help us create events and networking opportunities targeted to your specific needs.

## MEMBER UPDATES AND HOW TO'S

### How to Claim PDU's for Chapter Meetings

All chapter events to present have been submitted to PMI and are available for members to claim.

Members are responsible for submitting their own claims for PDU credits for the monthly chapter meetings as the chapter does not have a way to file that information on behalf of the members. The process is simple - just visit the PDU section at PMI.org. The site can be found under Certification>Maintain your certification: Earn and report PDUs. Our Component ID is C098. [Learn More](#)

### New or Updated Email Address

Our Chapter uses email addresses that members provide in their profiles to PMI. Let us know if your email address has change so we can update your contact information in our email distribution list.

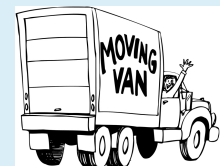

We want to make sure our members receive information about the chapter in a timely manner.

Please contact [membership@pmicolumbusga.org](mailto:membership@pmicolumbusga.org) if you have any updates or questions related to your membership.

### Member Relocation

If you or someone you know is leaving our chapter due to relocation, then the member needs to send an email to [componenttransfer@pmi.org](mailto:componenttransfer@pmi.org) and let PMI know who their new charter will be. By doing so, their name is updated from PMI's component roster and we will remove them from our distribution list. They should then begin receiving emails from their new Chapter.
