

# Gain a Competitive Edge with CAPM® CERTIFICATION

*Project management is a growing profession*

## 2.2 million project management jobs will be created every year through 2027.\*

In a highly competitive world, skills in project management are what employers want—in fields as diverse as:

INFORMATION SERVICES & PUBLISHING

HEALTHCARE

MANAGEMENT & PROFESSIONAL SERVICES

UTILITIES

OIL AND GAS

FINANCE & INSURANCE

MANUFACTURING & CONSTRUCTION

Many of the world's leading organizations including Accenture, Boeing, CareFirst, Deloitte, DXC, Fluor, Fujitsu, IBM, Microsoft, and NASA employ project managers and also recognize the value of hiring candidates with certifications.

You can earn the Certified Associate in Project Management (CAPM)® certification while still in school and hit the ground running upon graduation.

The CAPM® provides these advantages and more:

- Proves your knowledge of project management fundamentals
- Makes your résumé stand out to employers
- Gives you a competitive advantage over non-certified candidates

# Power your career and save with the PMI® STUDENT BUNDLE

## Combine **PMI Student Membership** and the **CAPM® Certification** to increase your visibility and decrease your cost.

Did you know that you can earn the Certified Associate in Project Management (CAPM)® certification and be a member of the world's leading association for project professionals—Project Management Institute (PMI)—while still in school?

By joining PMI and earning your CAPM certification, you can demonstrate commitment to learning outside of the classroom, differentiate and distinguish yourself among classmates and future job candidates, and make connections that can help you get hired.

### With student membership in PMI, you will have the opportunity to:

- Network, volunteer and get advice from local PMI chapter members
- Gain access to valuable career resources and job boards to help you find new positions
- Get discounts on certification exams, courses and learning events
- Access exclusive resources and make connections on Projectmanagement.com, the leading collaboration site for project managers
- Receive a complimentary digital copy of *A Guide to the Project Management Body of Knowledge (PMBOK® Guide)* and the *Agile Practice Guide*

When you take advantage of this offer, you will receive a **reduced rate of \$257 (\$43 savings)**.

Power your career with the PMI Student Bundle today!
